

Medical Coverage for Travel: Multi-Trip

Savor more of the world. *With us by your side.*

One year. One simple plan. All the adventures.

If you're a seasoned traveler, you already know to plan for the unexpected when traveling. Flight delays. Missing hotel reservations. It happens. But do you have a plan for an unexpected illness or injury? That's where we can help. Protect your health and budget for every trail, trek and tour this year with a Medical Coverage for Travel: Multi-Trip plan from Blue Cross Blue Shield Global SolutionsSM (BCBS Global SolutionsSM).

If you're planning on taking multiple trips within a year, this is your plan.

Our plan keeps you covered when you're traveling outside the U.S. for up to 70 days each trip within 12 months.

Whether you're going on vacation, traveling for work, an early retiree or a Medicare subscriber—our multi-trip plan is for anyone taking multiple trips for any reason.

Go with BCBS Global Solutions coverage. It's the trusted plan that's been around the block—and around the world—thousands of times over the decades. Enjoy peace of mind with the plan that lets you:

Get up to \$1 million in coverage for as little as **\$2 a day.**

Take confidence in plan options that include **coverage of pre-existing conditions.**

Experience **essential coverage** that most domestic plans don't offer outside the U.S., including medical evacuation and repatriation.

Avoid worries about medical underwriting.

Feel protected at **any stage in life**, with coverage up to age 95.

You can feel at *ease and supported* knowing your plan is designed with the multi-trip experience in mind.

Multiple great reasons to choose our multi-trip plans.

You may have great coverage in the U.S., but those benefits don't extend overseas. If you need medical attention when you're traveling, it could be hard to find the right care, at a time that's already stressful enough.

We'll help you avoid the "what ifs" in life. As in, what if you have no coverage and face unexpected medical bills? We're here so you don't have to take the chance. BCBS Global Solutions gives you peace of mind that you're protected on all your adventures.

All plans offer:

- Full coverage outside of the U.S. if you get unexpectedly sick
- The freedom to visit any doctor or hospital you choose, in any country you choose
- Our highly rated mobile app, which provides 24/7/365 support worldwide
- Unlimited telemedicine visits
- Coordinated coverage with medical providers in more than 190 countries

When you travel with us, you're not just covered—you're *cared for*.
