

GeoBlue Xplorer® Product Spotlight

What is GeoBlue Xplorer?

Expatriate health insurance for global living that provides:

- Comprehensive, portable benefits with an unlimited maximum and a \$250,000 maximum benefit for emergency medical evacuation
- The ability to define your deductible and prescription benefits
- The option to choose providers inside or outside of our trusted network

Why should I choose this plan?

- Unlimited annual and lifetime medical maximum.
- Immediate coverage of pre-existing conditions with proof of previous coverage.
- Deductible waived for office visits, preventative care, prescriptions and more.
- Includes prescription coverage with optional enhanced prescription benefits.
- Optional dental and vision coverage.
- Unlimited telemedicine services.

What plan options are available?

- **Xplorer Essential** — complete health coverage you can use anywhere outside the U.S.; an annual plan with enrollment flexibility for U.S. residents and families who intend to be outside the U.S. at least 3 months each year; option to add U.S. cover for short trips home.
- **Xplorer Premier** — complete health insurance plan that you can use anywhere in the world; an annual plan for individuals and families who intend to be outside their home country for at least 3 months a year; customize your medical coverage to suit your needs.
- **Xplorer Select** — supplement your primary U.S. health insurance plan with complete overseas health insurance; this plan includes expedited underwriting.

What options are there for benefit upgrades?

- **Basic U.S. benefits inside the U.S** — available for the Xplorer Essential Plan only
- **Enhanced prescription benefits inside of the U.S** — available on all Xplorer plans
- **Dental/Vision rider benefits** — available on all Xplorer plans
