Providing first-class supply chain solutions
for corporations, government and U.S.
Military entities

*Through our existing relationships and keen due diligence
Boes Aviation & Asset Management has developed an
integrated network of Authorized Distribution lines for PPE
manufactured both Domestically and Internationally.*

PPE Offerings

Please find included in this brochure information about our manufacturer relationships and PPE product offerings.

USA BASED MFG NETWORK

Boes Aviation and Asset Management has developed an Authorized Distribution Network of U.S. based manufacturers to manufacture and distribute Disinfectants, Hand Sanitizers, 3-ply Surgical Masks and Face Shields. Domestic relationships allow for 100% product authenticity/verification and real-time shipping solutions. Most orders are shipped out the following day.

INTL BASED MFG NETWORK

Boes Aviation and Asset Management has developed an Authorized Distribution Network of International based manufacturers to manufacture and distribute Nitrile Gloves, Isolation Gowns, Hand Sanitizer Dispensers and Face Masks. International relationships allow our customers visibility into the best market pricing and scalability.
